

Vigus

DRIVEN BY EXPERIENCE

Jiangling Motors
Co., Ltd.

JV with Ford

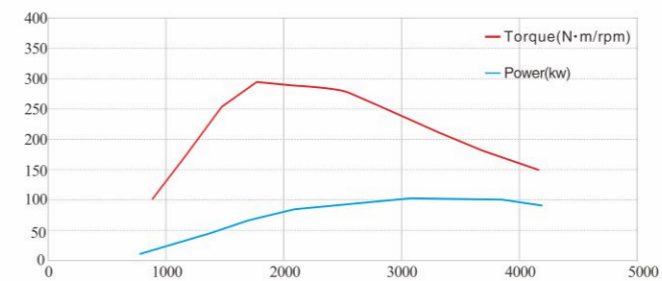

JMC

The new top of the range JMC Vigus.

Sheer luxury common rail Ingenuity.

- With its outstanding 2.4 turbo diesel motor with quick and responsive acceleration and braking power designed and engineered to impress. More luxury for your money well spent. The best double cab with 4x4 and 4x2 are built to withstand and handle all African terrains.

At 1500-2600 rpm, the torque can reach its peak, giving high instantaneous acceleration.

TOPANTHER TDCi

- The TDCi Engine develops impressive torque of 290Nm from 1500 rpm to 2600 rpm allowing for effortless overtaking.

The new top of the range JMC Vigus.

Made for work and luxury with its sleek design and its spacious double cab both front and back. Meticulous engineering with its added advanced technologies.

- ① Integrated centre console
- ② Intelligent Ergonomic Touchscreen and Controls
- ③ Multi-functional Steering Wheel, Integration for Safety and Convenience
- ④ Adjustable Leather Seat

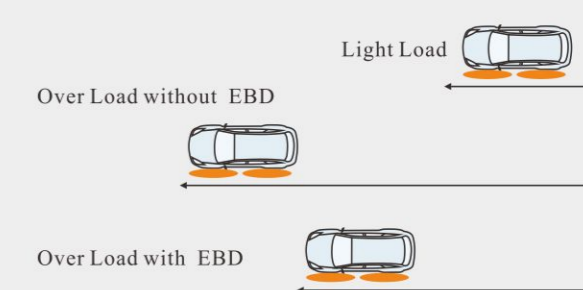

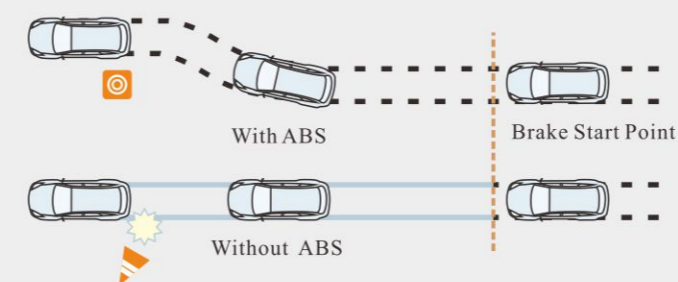

- 5 Years FPDS Global Standard Automobile Develop and Research Course
- 23 Usage of Jiangling Patent Technology in the Automobile Develop and Research
- 28 Years JMC Lean Production Quality Control Experience
- 2 Million KM Harsh Environment Test

The new top of the range JMC Vigus.

Vehicle Outside Size

BOSCH Version 8.0 ABS+EBD

• With EBD integrated inside the ABS system, the brake force could be adjusted according to the adhesive force of each tyre. The road grip ability would be improved effectively to ensure the performance of ABS system.
