BLINK AND YOU MIGHT MISS IT.

Athleticism is a thing of beauty, reflected in the flowing lines and elongated silhouette of the BMW 6 Series Coupe. The 445 hp engine, with standard sport exhaust system, is a thing of raw power: it roars as the vehicle attains 0-60 mph in just 4.3 seconds,¹ making a bold statement.

¹ BMW preliminary test results. BMW urges you to obey all posted speed laws and always wear safety belts.

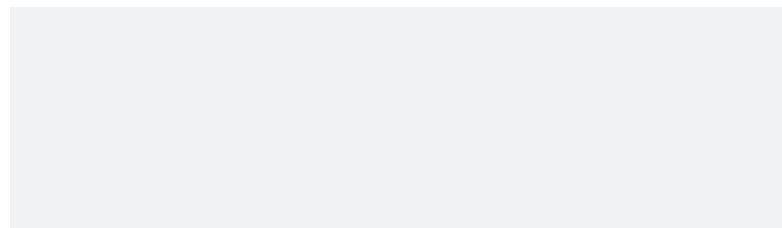

COMMAND CENTRAL.

The iDrive 5.0 system with BMW Connected Drive features wireless integration of apps, enhanced graphics, a new Controller, and a Navigation system that recalls your favorite routes.

¹ Does not come equipped with spare wheel and tire.

² Driving over rough or damaged road surfaces, as well as debris, curbs and other obstacles, can cause serious damage to wheels, tires and suspension parts. This is more likely to occur with low-profile tires, which provide less cushioning between the wheel and the road. Be careful to avoid road hazards and reduce your speed, especially if your vehicle is equipped with low-profile tires.

³ Performance tires include Mobility Kit; not recommended for driving in ice and snow conditions.

Not all features are available on all models. Get the latest information on standard and optional features, packages and technical specifications. Visit bmwusa.com and select the BMW model of your choice.

A BREATH OF FRESH AIR.

With advanced BMW soft-top technology, the BMW 6 Series Convertible offers a full sensory experience. And you can drop that top in as few as 19 seconds. Or, just lower the heated-glass rear window independently of the all-season top, allowing wind to flow through the cabin while keeping the sun out.

BECAUSE LIFE IS AN ADVENTURE.

Sportiness, exclusivity and luxury combine for a distinctive presence on the road. From the slats of the iconic kidney grille and elongated, dramatically lined hood to the elaborate crease lines along the side, there's no mistaking the dynamic elegance of the 6 Series Gran Coupe. There's only one thing to do behind the wheel: accelerate.
